Work experience

FI – Executive director, Markets

nov 2023 -

The Operational section Markets consist of approx. 150 employees.

FI – Deputy executive director, Banking

feb 2021 – nov 2023

As a deputy executive director of banking and chief of staff I have been FI:s representative to the European Banking Authority (EBA) Standing Committee of Consumer protection and financial innovation (SCConFin) standing committee. In daily operations I have a special responsibility for payments, financial innovation, AML and consumer protection. The operational section Banking consists of more than 150 employees, and I assist the executive director in managing the section.

FI – Director, Conduct supervision

oct 2017 – feb 2021

Manager for two deputy directors and approx. 20 employees. The supervisory departments responsibility included Investment funds, investment firms and insurance intermediaries. During these years I also worked extensively with policy developments within the supervisory responsibilities.

In addition to being director I was also responsible for launching the Innovation center at FI and has been responsible for the center since its launch in 2018.

I was also a founding member of the International Organization of Securities Commissions (IOSCO) fintech network and had a position on its steering committee between 2018-2021.

FI – Deputy director, Market Conduct supervision

May 2014 – oct 2017

Manager for 12 employees and was responsible for supervision and policy regarding, among other, payment companies. This during the time of negotiations and implementation of PSD2.

During these years I was the Swedish representative to IOSCO C8 which is the consumer protection group within the organization.

FI – Financial supervisor, Investment funds

aug 2009 – may 2014

Supervision of all types of Investment Funds and Fund Managers. Focus on organization, governance, asset management, governance compliance and risk control. I was the supervisory departments representative in the internal project of implementing the AIFMD and all policy with regards to hedge funds and other investment funds.

I was the Swedish representative in the European Securities and Markets Authority (ESMA) Investment Management Standing Committee.

Havsfrun Investment AB – Finance-/Hedge fund analyst

feb 2007 – aug 2009

Hedge fund analyst for non-equity strategies.
