		Competent authority	Complies or intends to comply	Comments
Member States				
AT	Austria	Financial Market Authority (FMA)	Yes	FMA's compliance with the Guidelines has been published on our website under the following link
BE	Belgium	Financial Services and Markets Authority (FSMA)	Yes	As the guidelines apply to competent authorities, we do not foresee a publication regarding these guidelines.
BG	Bulgaria	Financial Supervision Commission (FSC)	Intends to comply*	By 30 June 2022. In Bulgaria the guidelines do not require further legislative amendments of the existing legislation in order to be effectively integrated. However, it was established that for the FSC to be able to conduct its supervisory activities under the current Guidelines in its entirety, a respective technical and software solution is required. Such solution is included

* Please note that, in the interest of transparency, if a competent authority continues to intend to comply after the application date, it will be considered “non-compliant” unless (A) the Guidelines relate to a type of institution or instruments which do not currently exist in the jurisdiction concerned; or (B) legislative or regulatory proceedings have been initiated to bring any national measures necessary to comply with the Guidelines in force in the jurisdiction concerned.

** The competent authorities of the EEA States other than the Member States of the European Union are required to notify their compliance with ESMA's guidelines or recommendations relating to a legal act that has been incorporated in the EEA Agreement. This compliance table reports on guidelines relating to the AIFMD [Directive 2011/61/EU], which have been incorporated in the EEA Agreement.

Notes

Article 16(3) of Regulation (EU) No 1095/2010 (the ESMA Regulation) requires national competent authorities to inform us whether they comply or intend to comply with each Guideline or recommendation we issue. If a competent authority does not comply or does not intend to comply it must inform us of the reasons. We decide on a case by case basis whether to publish reasons.

ESMA endeavours to ensure the accuracy of this document, however, the information is provided by the competent authorities and, as such, ESMA cannot accept responsibility for its content or any reliance placed on it.
