

Ref: Notice of a call for tenders (middle value)

ESMA reference: PROC/2018/16

Tender name: “Market Microstructure – Tick-by-tick data”

Description of required services / products:

The contract is expected to contribute to providing ESMA with a comprehensive set of qualitative and quantitative data on securities markets, allowing it to analyse and monitor the markets in order to achieve the Authority’s objectives: enhance investor protection and promote stable and orderly financial market.

The data provided by the contract will be used to fulfil the following activities:

- Assessing risks to investors, markets and financial stability.
- Completing a single rulebook for EU financial markets.
- Promoting supervisory convergence.
- Responding and reporting to the European Parliament, European Court of Justice, European Systemic Risk Board, European Central Bank, EBA, EIOPA, European Council, European Commission’s requests (e.g. Consultations, Technical Advices, Impact Assessments, Cost-Benefit analyses, etc.).
- Contributing to collaborative working groups, either European or International (FSB, BIS, etc.).

Description of contract – contract value and duration:

The total estimation for the costs for 4 years is EUR 100,000.
